

Education /Workshop Facilitator Volunteer Position

Position Description: Education volunteers support the delivery of the Alzheimer Society of B.C.'s education programs and events, and are integral in communicating the Society's mission to alleviate the personal and social consequences of Alzheimer's disease and other dementias, to promote public awareness and to search for the causes and the cures.

As an Education Volunteer, you will receive extensive training on how to effectively facilitate selected workshops on brain health and dementia. The workshops are approximately 2 hours in length and may take place at various locations around greater Vancouver. This is an excellent opportunity for someone who is comfortable with public speaking and familiarity with Power Point.

Duties and Responsibilities:

- Ability to commit to delivering at least 15 workshops a year
- Be willing to assist in some of the training for future volunteers
- Keep up-to-date on current events related to Alzheimer's Disease
- Deliver workshops to various clients and staff in the community

Skills and Qualifications:

- Excellent individual and group communication skills
- Outgoing, enthusiastic and warm
- Familiarity with Power Point
- Excellent interpersonal skills (and a sense of humor helps!)
- Highly reliable and professional
- Have own transportation – you will be reimbursed for travel costs
- Maintains a professional image, which reflects the values and goals of the Alzheimer Society of B.C

Training:

- Orientation/Basic training
- 2 day intensive training in group facilitation skills
- On-going education

Benefits: Gain valuable training and experience in public speaking and informal education.

Additional Details: This volunteer position is suitable for either men or women. A criminal record check is required. Due to the extensive training involved with this position a one year *minimum* commitment is necessary.
