**What
are you
waiting
for?**

Where are **you** today in **your** career?

- ♥ Are you passionate about caring for the older adult?
- ♥ Do you want to network with other people who share your passion?
- ♥ Are you always looking for the latest research for care of the older adult?
- ♥ Would you be satisfied with the current level of care for a family member or even yourself?
- ♥ Would you like to advocate for the older adults in regards to health issues?

Whether you are an RN, RPN or LPN or involved in care of an older adult, we invite you to join us to ensure the best care possible is available.
